All those engaged to work with Afan Group on a site with specific client requirements are expected to comply fully with the provisions and working practices on that site including any additional client specific requirements.

All work activities will be carried out with proper regard for this policy and associated procedures.

Any worker who refuses to undertake a test or receives a positive test result will be considered to be in breach of this Policy and will be excluded from their place of work and will be liable to disciplinary action, which ultimately may result in dismissal.
